### Technical Information

Make painting faster, easier, and cleaner than ever with PlastiKote Twist & Spray. Our Twist & Spray range is our best-ever spray paint with a premium finish, to make spray painting smoother than ever. Twist & Spray Satin is the best choice for adding a durable, semi-gloss satin sheen to virtually any surface, including wood, metal, glass, stone, plastic and more. Our Easy-Spray Technology makes painting a breeze with tons of user-friendly features. The large finger pad reduces the effort needed to spray by 33%. Our Easy-Spray paint nozzle can spray at any angle, perfect for those hard-to-reach places, while the patented spray-through cap shields fingers for a cleaner spray experience. Plus, our twist and lock mechanism means there is no separate top to remove or replace after use. Each coat is ultra smooth, providing flawless coverage that dries quickly to a tough, durable finish - and best of all, PlastiKote Twist & Spray has no recoat window. Simply apply more coats at any time to achieve the perfect finish with ease and convenience.
